

THIS NOTICE DESCRIBES HOW CHIROPRACTIC AND MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

In the course of your care as a patient at *Bemis Family Chiropractic*, we may use or disclose personal and health related information about you in the following ways:

*Your personal health information, including your clinical records, may be disclosed to another health care provider or hospital if it is necessary to refer you for further diagnosis, assessment or treatment.

*Your health care records, as well as your billing records may be disclosed to another party, such as an insurance carrier, an HMO, PPO or your employer, if they are responsible for the payment of your services.

*Your name, address, phone number and your health records may be used to contact you regarding appointment reminders, information about alternatives to your present care or other health related information that may be of interest to you.

*Your health records are kept electronically and backed nightly using a “cloud based” system.

If you are not at home to receive an appointment reminder, a message may be left on your answering machine. The doctor may call you at your home or business to follow up on your care. Further, you have the right to inspect or obtain a copy of the information we will use for these purposes. You also have the right to refuse to provide authorization for this office to contact you regarding these matters. If you do not provide us with this authorization, it will not affect the care provided to you or the reimbursement avenues associated with your care.

If you provide us with your email address, an e-mail could be sent to your account regarding important events in our office, but will be blind carbon copied for privacy reasons.

If you provide us with your cell number, a text message may be sent to remind you of your upcoming appointment.

Under federal law, we are also permitted or required to use or disclose your health information without your consent or authorization in the following circumstances:

*If we are providing health care services to you based on the orders of another health care provider.

*If we provide health care services to you in an emergency.

*If we are required by law to provide care to you and we are unable to obtain your consent after attempting to do so.

*If there are substantial barriers to communicating with you, but in our professional judgment, we believe that you intend for us to provide care.

*If we are ordered by the courts or another appropriate agency.

Any use or disclosure of your protected health information, other than as outlined above, will only be made upon your written authorization. We normally provide information about your health to you, in person, at the time you receive care from us. We may also mail information to you regarding your health care or about the status of your account. If you would like to receive this information at an address other than your home or if you would like the information in a different form, please advise us in writing as to your preferences.

You have the right to inspect and/or copy your health information for seven years from the date that the record was created or as long as the information remains in our files. In addition, you have the right to request an amendment to your health information. Requests to inspect, copy or amend your health related information should be provided to us in writing.
